Promoter

TRANSPORT

Transport is a pioneer business of Agarwal Group which was established in 1966. Initially, it was started by Road Transport within India & gradually expanded worldwide and later followed by multi functional transport i.e Sea cum Rail cum Road.

COAL

To emerge as a global player in the primary energy sector of coal business which was established in 1972 with purchase & sale of coal within India, gradually expanded its business and started importing coal from various countries like Indonesia, South Africa, China, United States of America, Columbia, Philippines & so on. Discharging coal at more than 20 ports and distributing in almost entire country.

REAL ESTATE

Established in 1981 and started flourishing in various projects of colonizing, building & group housing. The Group has completed few housing projects with best construction quality and has developed its own in-house dedicated team for timely completion of the project.

INDUSTRY (PACKAGING)

Packaging Business was established in 1998. Ad-Manum Packagings Limited, Indore is manufacturing top quality cement bags and packing fabric and has extended its next unit as Polymer Packaging at Pithampur.

PUBLICATION HOUSE

Learn By Fun Course/Text Books of all subjects from Nursery to Class 8th were invented and published in 2005. In a short span of time, books have become popular, adopted and implemented in thousands of schools all over India. Contents of books, brand name and logo are protected under The Copyright and Trademark Act. The books are available in 6.35 lac villages at one click at www.parentslbf.com

SOLAR PLANT (RENEWABLE ENERGY)

Solar energy sustains life on Earth so in order to meet the energy crisis of nation, this wing is established in 2015, to generate renewable energy by Ground Mounted Solar. Later, it is to be expanded in Rooftop Solar and Solar Parks.

HI-TECH AGRICULTURE

Established in 2015, currently cultivating crops like flowers, fruits and exotic vegetables in open field and polyhouses. Prospecting over cultivation through tissue culture laboratories to meet the demand of posterity.

Ultra Modern School Education System

Integrated and Organized Management System

In the era of digitalization, computerization and automization, group has introduced SMS&S i.e. an integrated organized and fully computerized management system for smooth functioning of school in a systematic way. **School Management System & Solution** has been introduced to achieve the Motto of 0% ignorance, 0% mistake & 0% tolerance leading towards 100% performance.

This system helps in framing syllabus, question bank, examination byelaws, time-table, teachers' duty, assignments of students, various examination rules, written, oral, class-test, OMR and audit (internal and external), fee control, CBSE byelaws, state govt. & RTE rules & regulations, bus routes and timings, teachers' attendance, data feeding of examination, result preparation, profile of each and every student.

Regal Square, Indore

Contribution of Agarwal Group in the Field of Education

Source of Inspiration

Mother
Late Smt. Chameli Devi Agarwal
(1929 - 2002)

Father
Late Shri Ramkumar Agarwal
(1918 - 1995)

Group Chairman

Shri Purshottam Agarwal was born in 1952 at Kolkata and completed his primary education from West Bengal Board, Middle education from Punjab Board and Higher Secondary in Commerce stream from M.P. Board in Indore. He started his career at tender age of 11 years from a co-operative store. Later, he established his transport business at the age of 14 years. His business has flourished and expanded worldwide. At the age of 20 years, he entered in Coal Business, today Agarwal Group is amongst the major coal players across the world. At the age of 30, he ventured in real estate and delivered few best quality housing projects to the city.

His heart always believed in giving it back to the society, what Shri Agarwal had received from it. He established his first school in 1995 in the name of Agarwal Public School. Later, a chain of schools and a unique technique called "Learn By Fun" were invented and introduced. Recently in 2015, Group has further forayed in Solar Energy Projects and Hi-tech Agriculture and a vision to expand its manifold in coming future while considering the requirements of the society.

He is working round the clock for last five decades with full honesty, dedication & commitment. He has always worked with courage, fair attitude and zero liability.

Shri Agarwal's Mother and Father have been his source of inspiration throughout his life. His belief in God & hard work is also a tool of his success. Shri Agarwal does not compare people on basis of caste, creed & religion. He believes in learning and also aptly ready to guide others. "Sikho aur Sikhao" has been his life statement. He is not only leading his staff which comprises of more than thousands of people but also taking equally care of his family members. He attains a turnover of 150 thousand millions from all of his businesses.

He also possesses many qualities that of an architect, engineer, manager, accountant, programmer, writer, artist & many more. His personality reveals that he is a straight forward & down to earth person. He is also known as Coal King & Tarzan of Transport.
